Duration	2020

Natural Resource Projects & Practices ➤ Water Quality Implementation

Describe here

No Key Photo provided

FY 2020: Addendum for Temperature and E. coli, 80 hours assigned; Deliverable - complete Implementation Plan

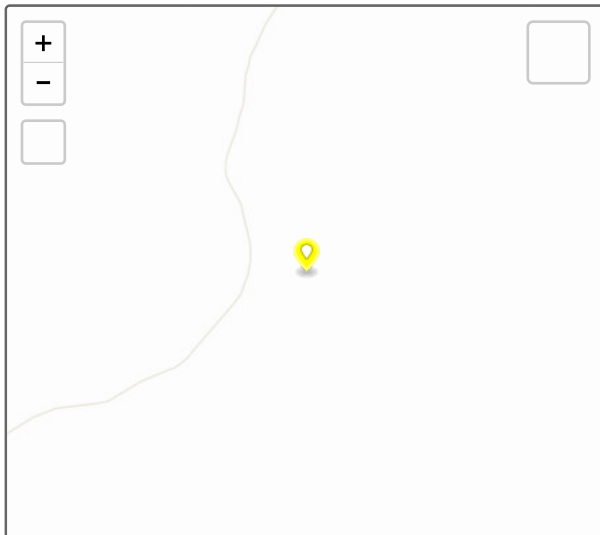

Key Accomplishments

Accomplishments to be provided upon completion of Project

Project Themes

- Water

Location

Expenditures

No expenditures provided

Photos

No additional photos provided

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
